This screenshot shows a mobile application interface for managing members. The top status bar displays the time as 10:22 and various system icons. The app's header is orange and contains a back arrow, the title 'Member Page', and a menu icon. A red 'DEBUG' banner is visible in the top right corner. The main content area is white. A light orange rounded rectangle is centered on the screen, serving as a form for adding a new member. It has a title 'New Member' and four input fields labeled 'Name', 'NIM', 'Class', and 'Major'. At the bottom of this form are two buttons: 'Save' and 'Close'.

DEBUG

New Member

This screenshot shows the same mobile application interface as the previous one, but with the 'New Member' form removed. The top status bar and app header remain the same. The main content area is now empty except for a single 'New Member' button located at the top left of the page.
